

## **Join Tasmania's Peak Organisation for Community Welfare - Let's create a Just and Equitable Society for All**

For over 40 years TasCOSS has spoken out for the disadvantaged people in Tasmania. TasCOSS is working to eliminate poverty and create a more just and equitable society for all Tasmanians.

### **TasCOSS Membership**

Our strength lies in our ability to understand and represent the interests of low income, disadvantaged and vulnerable Tasmanians. Our membership provides a valuable base of experience and expertise to inform us on issues affecting Tasmanians.

As the gap between the rich and the poor widens and social and economic policy becomes more complex, we need to expand our membership – both to strengthen the credibility of our voice and to increase the organisational resources to meet expanding needs.

We offer members:

- A fortnightly e-news service
- A printed newsletter three times a year
- Opportunities to be involved in policy development and to have input in identifying budget priorities
- Representation to government and the public on issues affecting community sector organisations and their clients
- Support services for community sector organisations that require resources, information and assistance
- Reduced rates to TasCOSS events and functions
- Ongoing communication and consultation
